**Sub : An Appeal to recommend OXFORD Polytechnic (1-466441841)
for AICTE- (EOA)Extension of Approval 2017-18**

Respected sir,

We would like to bring to your kind notice that oxford polytechnic running diploma program and serving the poor students in Pale village (rural area) in taluka:Hubli, District: Dharwad, in Karnataka state since 2008, we are proved our self as on of the leading polytechnic in this area by educating the rural students.

We are accredited by AICTE, New Delhi in 2008-09 , Department of technical education, Bangalore & by Government of Karnataka.

On 23/12/2016 AICTE council, conducted Surprise visit to our Oxford polytechnic and issued show cause notice regarding deficiency of the constructed building, and show caused to stop the "Extension Of Approval" for the 2017-18.

Stopping the admission may give the Existing College students very bad impact serve them. As we are self financed institute with limited fee revenue from the rural background students, we are unable to satisfied the AICTE norms immediately, But we promise to fulfill the required infrastructure with in 2 years.

We are requesting your kind self to please recommend our polytechnic to Chairman, AICTE, New delhi, for the EOA "Extension Of Approval" for 2017-18 . & help us to serve the rural students.

With humble request and warm regards,
looking forward to positive recommendation...
